**Docket No. 99-00662**

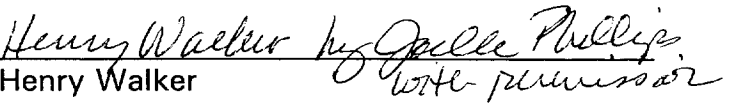

**JOINT MOTION OF BELL SOUTH TELECOMMUNICATIONS, INC.  
AND MCIMETRO ACCESS TRANSMISSION SERVICES, INC.  
FOR CHANGE IN SCHEDULE**

BellSouth Telecommunications, Inc. ("BellSouth") and MCImetro Access Transmission Services, Inc. ("MCImetro") jointly submit this Motion for Change in the Schedule in the above-referenced docket.

On September 14, 2001, BellSouth filed its motion to reschedule the hearing, due to conflicts with other hearings involving BellSouth's witnesses, until the week of October 1, 2001. MCImetro did not oppose that motion. Shortly thereafter, MCImetro learned that its own witnesses were unavailable during the week of October 1, 2001. During a conference with the Hearing Officer on September 19, 2001, counsel for the parties were directed by the Hearing Officer to reach a mutually acceptable date and submit a joint motion. Having conferred to determine a mutually acceptable date, BellSouth and MCImetro jointly request that the hearing be reset for Wednesday, October 17, 2001. All parties are available for a hearing on this date.

The parties have conferred to reach this mutually acceptable change in schedule and respectfully request that the Hearing Officer order a new schedule consistent with this proposed date.

Respectfully submitted,
